3. Student athletes will be dismissed from class ten minutes prior to departure time unless otherwise informed.
4. Away games are not always played at the opponent's school campus. Check at the office for up to date directions to game sights.
5. Return times are only estimates and vary depending on traffic conditions, game time length, etc.
6. If you are helping with car pooling please be at the school ten minutes prior to departure times.
7. Always check the revision date in the upper right corner of the practice and games schedules to ensure you have the most current information.
